"Bill worked on my home landscaping. He was very pleasant to work with. He came out and took some pictures prior to the project. Within a week he was back on site discussing the layout that he had drawn out according to the pictures. The design was wonderful on paper and it came out even more beautiful when it was all said and done.... He has done a remarkable job and all the neighbors in my area agree.. I will never switch landscapers now that I found a great one to work with. "

"THIS IS WITHOUT A DOUBT THE BEST MONEY CAN BUY... BILL AND HIS TEAM ARE TRULY PROFESSIONAL AND VERY GOOD. THE PATIO HE DESIGNED HAD MANY CIRCULAR DIMENSIONS WHICH REQUIRED PAINSTAKING DETAIL...THEY'RE WORTH EVERY PENNY. BILL IS VERY RESPONSIVE TO ALL REQUESTS (EVEN IN MID-PROJECT!!). I CAN'T SAY ENOUGH ABOUT THESE GUYS."
